2. This question has been resolved. Under Regulation 385.1 (presumably of the Department of Commerce) it is stated in effect that the exportation to the USSR of openly published and generally available technical data is permitted. Assurance was given over the telephone by Mr. John Dunnivant of the responsible office in the Department of Commerce that this regulation applies to oral presentations.

3. It would be appreciated if you would see that this information is passed to [REDACTED]
